

Maine H1N1 Influenza (“Swine Flu”) Update

Data Summary for Friday, June 19, 2009, 5 PM

Flu info on the Internet: <http://www.maine.gov/dhhs/boh/swine-flu-2009.shtml>

6 new cases reported, 5 in Maine residents and 1 in an out of state resident

Next data summary to be released on Monday 06/22/2009

Maine CDC and Department of Education partner to offer seasonal influenza vaccine in the fall

- Maine CDC and the Department of Education partner to offer seasonal influenza vaccine to children through interested local schools this fall. For more information on how you can become involved, check the health advisory on this subject at: <http://www.maine.gov/tools/whatsnew/attach.php?id=74633&an=1>

New Cases:

- Six new cases were reported today, all confirmed. 3 cases were youth from Androscoggin county, 1 case was an adult from York, 1 case was an adult from Cumberland, and 1 case was a Massachusetts resident tested in York County.
- One new case reported today is hospitalized, recovering well and expected to be discharged.
- Although case counts are reported here, it is important to note that individual case data are useful only in that they are markers of the presence of H1N1 in a given county or geographical area. Many people with H1N1 are not tested, and their illness is not reflected in the case counts. Counties or regions with no reported cases may still be affected.

Current Case counts:

Case Counts	Confirmed	Probable
Maine	49	1
Out of State	11	0

- A total of 50 Maine residents have been diagnosed with H1N1 (49 confirmed and 1 probable). In addition, 11 out of state residents were diagnosed while visiting Maine, for a total of 61 diagnoses in the state.

Lab Testing:

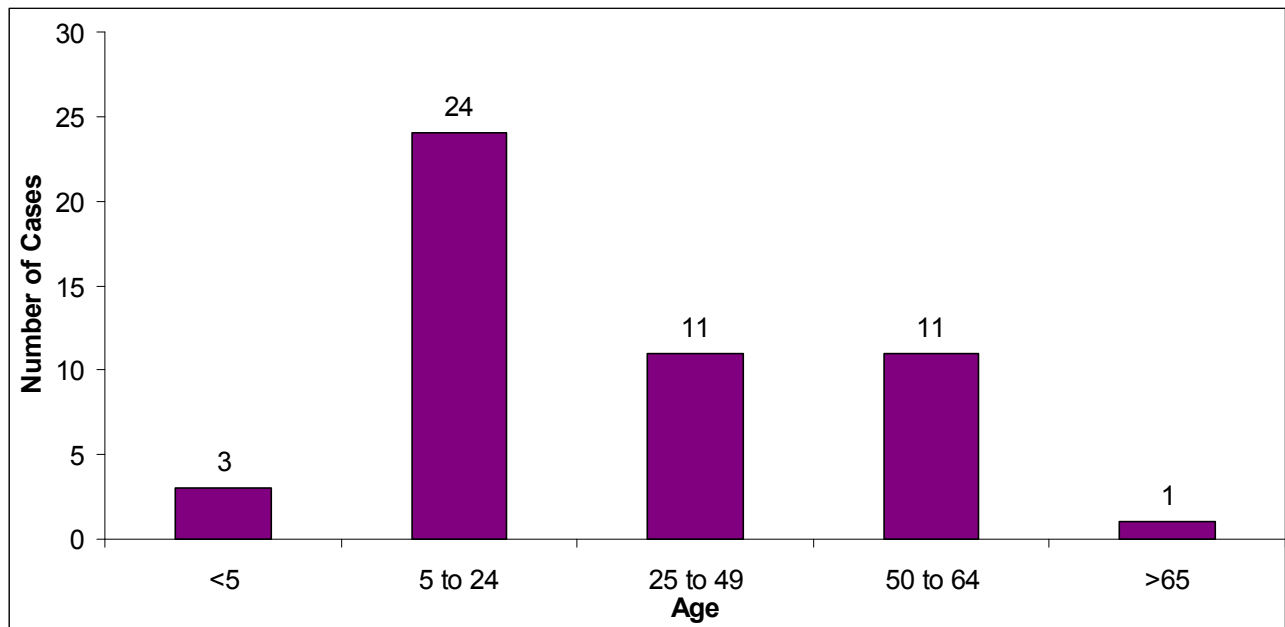

HETL numbers	# tests
New	43
Total	2037

Confirmed and Probable Cases by County:

County List	New Cases	Total Cases	Out of State*
Androscoggin	3	6	1
Aroostook
